Business Policies

When enrolling you are committing to the entire dance year and all tuition associated with that year. A two month written notice is required if a dancer wishes to withdraw from a class and the responsible party will be liable for the tuition due for that two month period.

Tuition refunds will only be given for medical reasons. In order to receive a refund a physician's letter must be presented stating the student's inability to participate in dance class due to a medical issue.

Missed classes, due to illness or an emergency, may be made up during the current dance year. Dancers should check with their instructor to see which class would be an appropriate make up class for them. No refunds or discounts are given for missed classes.

I agree to be responsible for all the tuition installments of the above mentioned student. I understand that enrollment is for the entire current dance year and that I will pay all tuition associated with that year. I must give The Ballet & Dance Center two months notice of withdrawal and I am liable for the tuition due for that two month period.
