

The Ballet & Dance Center

Core Division 2011-12

Classes in this division, **Level A, B, C, D & E**, are designed for the serious dancer who has had previous dance training. Each dancer in the Core Division will be placed in the appropriate level by our faculty. Students selected for this division will concentrate on perfecting technique and developing artistry.

Schedules for each level have been carefully designed to support the overall training of the dancer. **All Core Ballet classes are required at each level.** Dancers are strongly encouraged to participate in the supporting classes offered at each level: Jazz, Tap, Modern and Theatre Dance.

Attendance is vital to a dancer's improvement and ultimate success. Dancers at this level will be selected to perform at various venues in our community. Please refer to the Open Division if a lighter schedule is desired.
